PRIVACY STATEMENT

Please see the Club's [Privacy Policy](#) on the Website, or on the Club notice board.

Member (for the purpose of this statement, member(s) encompasses non-members, and all users of the premises) details are stored electronically, as well as in paper form. Information relating to bridge will be shared with the EBU and WCBA. Where members have opted in, names, telephone numbers and email addresses may be shared with other members. Members are responsible for ensuring that the Club holds accurate and up-to-date information. Members serving on the Board, a committee, or within a team, will become part of an email group to enable essential communications and discussions between committee/team members. If you do not wish your personal email address to be used in this way please inform the Club of an alternative email address for this purpose.

If you have any questions relating to data security or privacy, please email: data@westmidbridge.co.uk
